About b Restaurants

Our company was created with the simple belief that the world needs more connection. We think that food can bring people together in many different ways. Neighbors with neighbors. Locals with local ingredients. And bourbon lovers with bourbons worth loving.

In 2006, our idea became b Restaurants. A place where people come for good beer, cool surroundings, and one burger to rule them all.

Sweet, tart, and refreshing. Espolòn Blanco Tequila, orange liquor, house-made sour mix & prickly pear syrup with a sea salt rim - 12

Skinny B

A light and refreshing low-calorie favorite. Tito's Handmade Vodka and soda with muddled oranges and lemons - 10

The Older Fashioned

The original, pre-Prohibition style, before we had to add fruit to mask the taste of bathtub booze. This Elijah Craig Small Batch cocktail is a long way from the gasoline of the past - 12
